

GEO5	Geotechnical software	Price (£)
FEM	Modelling of Geotechnical problems by FEM	1795
Tunnel* (requires FEM)	Extension of program FEM - analysis of tunnels	1795
Cantilever wall	Verification and dimensioning of cantilever walls	325
Gravity wall	Verification and dimensioning of gravity walls	325
Gabion wall	Verification of gabion walls	325
Prefab wall	Verification and dimensioning of prefabricated walls	325
Masonry wall	Verification of reinforced masonry walls	325
Sheeting design	Design of sheeting structures and sheet pile walls	325
Sheeting check	Analysis of sheet piling (method of dependent pressures)	450
Nailed slopes	Verification of nailed constructions	325
Abutment	Verification of bridge abutments	375
Slope stability	Slope stability analysis	450
Rock stability	Stability analysis of rock slopes	450
Spread footing	Design and verification of spread footings	375
Piles	Verification of a single pile	375
Beam*	Beam on elastic sub-grade	325
Plate*	FEM analysis of foundation and floor slabs	695
Reinforcement*	Design of concrete slab reinforcement for Plate program	325
DXF import-export*	DXF import-export for Plate program	85
Settlement	Terrain settlement caused by surcharge and change of GWT	325
Ground loss	Settlement above tunnels + prediction of building damage	795
Terrain	Digital model of terrain	850
Earth pressures	Analysis of earth pressures	325
2D DXF import-export	DXF import-export for Slope Stability, FEM and Settlement programs	85

*The program is currently available only in the GEO4 version. You will receive a free GEO5 upgrade when available.

An upgrade from existing GEO4 software to GEO5 is 50% of the list price.

Special Packages		Price (£)
GEO Package PRO	All programs	7250
GEO Package Analytical + FEM	All programs excluding Tunnel, Ground loss	6250
GEO Package Analytical	All programs excluding FEM, Tunnel, Ground loss	5100
GEO Package EDU	Educational version of all programs for universities (with unlimited number of licences)	750

Volume Discounts for Single Licence

3-4 modules	Discount 5%
5-8 modules	Discount 10%
9-11 modules	Discount 15%
12-14 modules	Discount 20%
15-19 modules	Discount 25%
More than 20 modules	Discount 30%

Discounts for Additional Licences

Licence for the 2nd user	Discount 40%
Licence for the 3th - 5th user	Discount 60%
Unlimited licence	300% of a single licence
Network licence	150% of a single computer licence

HW keys (dongles)	Price (£)
local key (single computer)	35
networkkey (max. 10 users)	50
networkkey (max. 50 users)	75
Standard delivery (1 st Class Post)	5
Express delivery (Courier)	15
Overseas (guide price)	25

All prices in GBP (£) and subject to VAT where applicable. Prices include 12 months UK-based support and maintenance service
